Neal Coker. About to post it.

Don't put his name

lol why not

Call me at (662) 295-8785. I'm
sitting here with Neal

Hahaha well Jeremy Bell is about
to call him. The Captain I believe

6:15 PM

There was a reason why his name
did not need to be posted.

Don't worry I already got my butt
chewed and job threatened by the
Sheriff. I am not over the Facebook
page. It was a miscommunication.
My apologies to you and Mr. Neal.

ss

Wow..okay. Now I'm being questioned on Facebook by Jeff Henry over it too. I don't like being threatened over my job by an innocent mistake that was made. It was not intentional at all.
